

## •• 2017 Golden Passport Information ••

**Platelets** are essential for Kentucky patients with bleeding disorders, leukemia and other forms of cancer. They are always in demand, and in 2017 the demand for platelets will increase because Kentucky Blood Center will be serving even more Kentucky hospitals and patients.

Because platelet donations require an appointment and a bit more of your time, Kentucky Blood Center offers the Golden Passport program as a way of thanking platelet donors. You earn a stamp for every dose of platelets you give and are encouraged to make the optimal donation possible. Your phlebotomist will discuss this with you.

The chart to the right shows the many thank-you items you can earn in 2017.

Platelet donations are by appointment only. To find out more about this program or to make an appointment, call us at 800.775.2522, ext. 3758 or 859.519.3758.

# of Stamps	Reward
