ANNOUNCING 2019 GOLDEN PASSPORT AWARDS

Thank you for donating platelets in 2018. Your generosity provided life-saving blood products for many Kentucky patients. Platelets are always in demand, and the need for platelets continues to grow.

To provide for Kentucky patients, we invite you to continue donating in 2019. We have automatically enrolled you in the 2019 Golden Passport Platelet Rewards Program. Below is a list of the many thank-you gifts you can earn by donating platelets.

Here's how the program works:

The Golden Passport program runs January 1, 2019 through December 31, 2019. You will earn a stamp for every dose of platelets you give at each donation. Some platelet donors are also asked to give red cells and/or plasma while donating platelets. Those blood components will also qualify for passport stamps. Since you are able to earn multiple stamps in one visit, we encourage you to make the optimal donation possible. Your phlebotomist will discuss this with you. You don't have to worry about keeping up with your stamps. We'll track them for you.

As you know, platelet donations are by appointment only. To find out more about this program or to make an appointment, call 800.775.2522, ext. 3758.
